Sub : Note on EVC – request to exempt from BRAP - reg

Sir,

Please refer to the subject cited above. I am submitting the following details regarding the EVC - Excise Verification Certificate.

Every consignment of liquor imported, transported or exported shall be verified at the destination by the concerned officers and a certificate has to be issued to the effect that "the consignment has been reached the destination intact." Every consignment is allowed to transport, import and export with a permit accompanying the consignment.

In Excise Department all permits (Import, Transport & Export) are issued only through online & issuance of EVC is just an extension of the concerned service through which permits are issued.

In this circumstance, the issue of EVC (Excise Verification Certificate) may not be considered as a separate service and may be excluded from the list.

Yours faithfully

Excise Commissioner
